CHORUS

Peace to you, brother, peace to your family
Peace to your loved ones, peace to your enemies
Life is a hallway and change is coming
can't you hear it knocking on the door?

VERSE

You've done a fine job of blocking up your doorway
so it's hard for any light to shine through
but all you've been fearing, is the mouth you've got starving
while you walk a mile in another man's shoes

CHORUS

Peace to you, brother, peace to your family
Peace to your loved ones, peace to your enemies
Life is a hallway and freedom's coming
can't you hear it knocking on the door?

VERSE

Well I knew a wise man, he stood for glory
Said "do unto others as you'd have done unto you"
But we all got so angry we all started shouting
No one remembered that one fine golden rule

CHORUS

Peace to you, brother, peace to your family
Peace to your loved ones, peace to your enemies

A D
Life is a hallway and change is coming
A E7 A
can't you hear it knocking on the door?

A D
Peace to you, brother, peace to your family
A E7
Peace to your loved ones, peace to your enemies

A D
Life is a hallway and I've been calling
A E7 A
can't you hear me knocking on your door?
